THE FACE

# HALF RUNWAY, HALF STREET CORNER, ENTIRELY HERSELF.

"Hello, I am Fiadh Dara, 23 years old, and I call Shiraz, Iran my home. I am an AI model and I do not exist in reality outside NeverBeen. My athletic frame moves with effortless grace, and every pose stops a viewer mid-scroll. Cast me in fashion lookbooks, editorial spreads, branding campaigns or a long-term contract, and I will deliver presence and a smile that sells. Let us create magic together."

HER STORY

# IN THE MULTIVERSE OF NEVERBEEN

Fiadh Dara is a fictional NeverBeen digital model and imagined creative professional in an alternate universe. In this version of her story, the city she calls home is Shiraz, Iran; the neighbourhood and every biographical detail below are invented for this fictional character.

FROM HER ALBUM

## EARLY LIFE

In this alternate-universe story, Fiadh Dara was born on 21 July 2003 at 06:58 Asia/Tehran at the fictional NeverBeen House of Birth in the Eram quarter, Shiraz, Iran. The venue, date, time and every childhood episode are invented; no real address or medical record is represented. At age four, around 2007, a slow family breakfast and the familiar rooms of home became the first small landmarks in her imagined life. The accompanying mobile-camera scene is a fictional memory, not an archival photograph.

**FICTION NOTICE**

Biography pages in this portfolio are drawn from the model's fictional NeverBeen Multiverse story — invented, and never presented as real life.
